

Camp Katan

Where Young Children
Is Our Name

SHIR AMI
Many voices. One song.

Camp Philosophy

Camp Katan promises a summer of exciting activities for young campers through age 5. Children have the opportunity to explore and interact in a positive and safe environment. Age appropriate activities that promote self esteem, independence, and competency are goals of the summer camp experience.

Staff

Shir Ami and Camp Katan take pride in our camp staff. Our counselors are adults who have training and experience working with young children. There is one head counselor and one assistant counselor assigned to each group. This keeps our staff-child ratio small.

Activities

Water Play
